

Leon High School Boys Basketball

Leon Tip-Off Club

Thank you for supporting Leon Boys Basketball. Go Lions!

ONE TEAM! ONE GOAL! NO LIMIT!

Dear Leon High School Supporter,

Pride and Tradition is a recurring theme among successful athletic programs, but few schools can match the pride and tradition of Leon High School. As Leon County's oldest established High School with the largest collection of Alumni in the area you can put this pride and tradition to work for you!

What can you expect from your sponsorship?

- Thousands of potential new customers – we will be filling the gym with Leon County's largest alumni base, students, and other fans.
- Association with a winning program – under new coach Rick Davis – the Leon Team is considered one of the top basketball teams in the area.
- Exposure in the program's Media Guide and ad space on the Leon Basketball website
- Your sponsorship is tax-deductible.

Once you take a minute to look at the different levels of support, we are confident you will find a program to fit your businesses goals, help bring customers to you and fill the seats of the Leon Gymnasium. In the coming days you will be contacted by a parent or coach of one of these very special student athletes. We hope that you will be ready to make a pledge and with your support we will ride this wave of excitement all the way to Lakeland and the State Tournament.

Sincerely,

Debbie Kelly
Booster Club President
